

## **Project Title: 0120 - Institutional Development of Secretariat under SCMIRMC**

**Name of Implementing Agency:** Ministry of Peace and Reconstruction (MoPR)

**Status:** Ongoing

**Location:** All 28 cantonment sites

**Beneficiaries:** Secretariat and Maoists combatants

### **Objectives:**

- The overarching goal of this project is to succeed in effective integration and rehabilitation of all the Maoist army combatants residing in the cantonments.
- In order to accomplish the national goal, this project intends to result into having the Secretariat and its working teams to effectively carry out the Directives and the Procedures relating to the Supervision, Command and Control and Code of Conduct for the Maoist Army Combatants as approved by the SC.

### **Summary of Achievements/Outcomes:**

- Secretariat and its working team at all 28 cantonment sites established.
- Guidelines and job description of all staffs prepared and required officials hired.
- Documentation of all records and information has been compiled by the Secretariat team
- Publicity of progress of Secretariat and its working teams through print, audio visual media and website has been going on.
- Opportunity was presented for combatants to express their plan for the future course of action. (Out of the 19594, verified total 17076 combatants (13529 males and 3547 females). 9705 combatants chose to be integrated into the security forces and 7365 combatants have chosen the voluntarily retirement package).
- The regrouping process has supported the combatants opting for voluntary retirement to move out of cantonments to the community for their social life.
