

Project Title: 0409 Efficient Management of Electoral Process of Multi Year Strategic Plan (Voter Registration Kits)

Name of Implementing Agency: Voter Registration Division/
Voter Registration Section

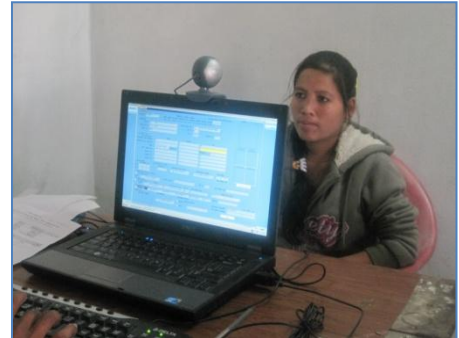

Project Coverage Area: 58 Municipalities

Status: Ongoing

Location: 58 Municipalities

Beneficiaries: Voters from all over the country

Total Project Budget: NPR. 2,725,453,252

Objectives:

- Development and Implementation of new Electoral Roll with photograph and facilitation of civil registration and multi-purpose national ID card.

Summary of Achievements:

- 5310 staffs of the ECN trained on voter registration program in 58 municipalities.
- ECN has achieved 93% of its target
- Field level voter registration process completed in all 75 districts
- 10063493 eligible Nepali citizens have been registered in the voter list (until mid January 2012) which is 92.24% of target.
- Nearly 58% voters have made registration in comparison of CA election voter list (ECN).
- Provide training to 797 people on Building Resources in Democracy, Governance and Election (BRiDGE).

Outcomes:

- There is increased level of awareness and participation on voter registration processes. 95.98% of surveyed respondents in External Monitoring said they are aware of Voter registration process and obtained information from local media
- There is better preparedness in terms of population coverage and access within the EC to undertake future elections in a free and fair manner.
