Annex 1

Overall Goal	To secure foundations of durable peace by ensuring the rights of CAPs to reparations including immediate recovery and socio-economic reintegration in the society.
Intermediate goal 1	Contribute to integration in the communities, economic empowerment and improved livelihoods on the basis of demands of those affected by the conflict, open for all CAPs but with focus on IDPs, women and CAAC and those earlier excluded from support. ¹
Objective 1.1 - Community re-integration	Contribute to local peace building and social cohesion and integration/re-integration of CAPs, especially IDPs and ex combatants (Integrated with the LPC programme).
Objective 1.2 - Livelihood support to CAPs	Contribute to the economic empowerment and improved livelihoods of all those directly or indirectly affected by the conflict demanding support, with focus on IDPs, women and CAAC and those earlier excluded from support
Intermediate goal 2	Contribute to improved health situation of CAPs, particularly people in need of psychosocial support and CAPwD
Objective 2.1 – Psychosocial support	Contribute to the improvement of the situation of CAPs (and their families), partially focusing on victims of SGBV and torture, in need of psychological counselling and support.
Objective 2.2 – CAPwD	Contribute to the social and economic reintegration of CAPwD, including people with bullets in their bodies through holistic support and stronger outreach.
Intermediate goal 3	Contribute to provision of special support to vulnerable left out CAP groups
Objective 3.1 – Children (NAP 1612)	Rights of Children Affected by Armed Conflict are ensured through immediate and long term relief, rehabilitation and reintegration services.
Objective 3.2 – Women and girls victims of SGBV (NAP 1820 and 1625)	Contribute to the protection and promotion of CAW&G rights and improvement of their socioeconomic and psychosocial situation, specifically of victims of SGBV and torture.

¹ As substantial support has already been given, it is expected that the group of eligible CAPs will not be so large.
